The Path of the Heart

with Grace Marie

April 20-22, 2018
Isis Oasis Retreat Center, Geyserville,

Grace was born into music and dance. From the childhood group in Cleveland, the Polish Singing Angels, to the present day choir she facilitates, the Harmonic Temple, music has been a part of her life through today. As a junior high and high school teacher, she taught Chemistry, Physics, Life Science, Biology, Anatomy, and Environmental Education in the United States and abroad. With a degree in Forest and Natural Resources Management, she worked for the Forest Service in Alaska and Colorado.

Grace's love of the natural world led her to learn how to read, hear and decipher the sounds of nature, the beings of nature, seen and unseen, with elder teachers. This combination of music, dance and natural sciences formed the foundation of Grace's focus on the body in movement therapy to exercise the relationship with our inner and outer world. She has shared her focus of peace through movement and dance to many communities worldwide through Dances of Universal Peace and the free movement Dance Community. Grace facilitates retreats to empower and be inspired. She leads many classes, special events, and retreats throughout the year worldwide.

The perfect setting to spiritually regroup is beautiful Isis Oasis. It includes a spacious "theater hall" for dancing, lovely garden areas, pool, hot tub, sauna, and large dining room with fireplace. It is located in Sonoma County, 1.5 hours drive north of San Francisco, 20 min. north of Santa Rosa, off Hwy 101. Accommodations are shared rooms (first signed/first served), upper level dormitory in the lodge, your own RV or a tent. If this is your first time at Isis Oasis, a map with directions will be mailed to you; please register early so you will be sure to receive this information.
