Giving Our Hearts

Dear Companions of the Message,

This year's Urs Celebration for our beloved Murshid Hazrat Inayat Khan will be a day earlier to coordinate with the many gatherings in India and the Middle East. As the theme for this gathering suggests, please bring something to give to all participants such as flowers, small eatables, prayers, poems, photos, and/or writings of Murshid. These will be sacred gifts to exchange for our coming year.

Please join the extended Sufi Community and presenters: Amida Cary, Mahdiah Jacobs Kahn, Sur Laya Sangam, Mariam Baker, Halim Friedman, Shams Kairys, and Rabia Perez-Chisti, coordinator. All are welcome. Donations are requested at the door. Parking is available on the side of building and on the street.
