Help join Rahmat Andrew Moore and Tasha Priya Turzo in marriage. Shabda and Leilah will be leading Zikr and Dances in honor of Rahmat and Tasha Priya's wedding. Please join us in celebrating their union. Tasha and Rahmat wanted to celebrate their union with Zikr (the practice of remembrance of God) and Dances of Universal Peace. They are opening the event to the community to share the love, blessings and gratitude for the Sufi path that brought them together. Junayad Moore has graciously opened the usual third Friday Zikr circle for this event to happen.

Pir Shabda Kahn (California, USA), has been a disciple of American Sufi Master Murshid Samuel Lewis and is the Pir-spiritual leader of the Sufi Ruhaniat International – a contemporary Sufi stream in the lineage of the Indian mystic Hazrat Inayat Khan and Murshid Samuel Lewis. He is a world renowned teacher of Dances of Universal Peace and North Indian Classical Vocal Music. His teachings of universal love and compassion are joyous and relaxed, yet profound and powerful.

Murshida Leilah Be has been exploring spiritual realization and sacred teaching through many inclusive teachers since she was young. In 1975, she was introduced, through the book titled "Toward the One," to the teachings of Pir O Murshid Hazrat Inayat Khan, whose message contained the Unity of Religious Ideals, and was an inclusive path of the heart. In the same book, she saw a photograph of Inayat Khan and had a strong experience of Darshan. Three years later, she met Sufi Sheikh Yakzan Valdez, an initiate of Pir Vilayat Inayat Khan. She was deeply inspired by Yakzan's living example of grace, kindness and majesty. At this point, she felt her path and purpose being revealed. Then in 1985, a very strong vision of inner direction from Murshid Samuel Lewis guided her to receive Bayat with one of his direct disciples, Pir Moineddin Jablonski. She then experienced the blessing stream of the lineage more fully opening to her. Leilah began leading the Dances of Universal Peace and the practice of Zikr (Remembrance of God) in the early 80s. She has composed many beautiful circle dances and Zikrs, danced the world over, and is appreciated for her depth of devotion. She lives on the Island of Maui with her husband, Bodhi.
