

**Gatha and Githa papers of Inayat Khan, zikr, sufi practices**

# GARDEN OF ALLAH

**SUNDAY APRIL 30 FROM NOON TO 2 PM**

The Gatha and Githa papers are lectures given by Hazrat Inayat Khan at small meetings with topics such as Breath, Esoteric Teachings, Insight, and such. The lectures were written down and later arranged as a progressive series of classes for Sufi initiates. We hope to awaken to the reality touched upon by these lectures as well as by the commentaries about them written by Murshid SAM. With Khalif Halim Friedman and Vakila ter Veld. The class is also open to non-initiates. Information:707-935-7681

The small parking lot is only accessible from the uphill side due to its steep entrance, there is limited street parking on Edison – white boxed spaces only - and no parking up and around on Oak Street although you may drop off passengers there. 112 Edison Avenue, Corte Madera, CA 94925
