Come join us for a wonderful retreat on a beautiful beach where the jungle meets the sea. What increases or diminishes our joy? Is it possible to be joyful in a world full of suffering? Mexico Camp provides a rare opportunity to dive deeply into spiritual practice and inquiry within a supportive community while enjoying the great beauty and serenity of the natural world. Mornings are spent exploring mystical teachings and practices, meditation, dances, and discussion. Afternoons are free for swimming, hiking, boating, whale-watching, or just relaxing on the pristine beach, which is right at your doorstep. Evenings are devoted to Dances of Universal Peace and Zikr, the Sufi practice of remembrance. The oceanfront retreat is located in a fishing village an hour and a half north of Puerto Vallarta. Swimming pool, jacuzzi, and spa with hot and cold pool and steam bath are located on the premises. Delicious meals emphasize fresh local fish, fruit, vegetables, chicken, and native cuisine. Please register early as space is limited.
