

Inner Wisdom of the Aramaic Jesus

A Series of Classes led by Malika

Through the language of this Middle Eastern mystic, the Lord's Prayer
in Aramaic unfolds in us an expanded heart consciousness.

Our father which art in heaven (Line 1, King James version)

O Thou! The Breathing Life of all,
Creator of the Shimmering Sound that touches us
(Line 1, Aramaic Lord's Prayer, translated by Neil Douglas-Klotz, in *Prayers of the Cosmos*)

Line by line, we will focus the Prayer,
using chant, movement, breath, contemplation and expressive art
to feel into these deeper teachings,
which are profoundly healing and bring forth in us
a wholeness in spirit and feeling.

Malika Merrill Endres learned the Aramaic Prayer cycle from Neil Douglas-Klotz in the mid-80's. She has taught the Prayer in chant and movement to many different groups in the US and Mexico. She is a Senior Mentor in the Dances of Universal Peace, an appointed member to the Mentor Guidance Council for the Dances, and a Sheikha (teacher) in the Sufi Ruhaniat International.

Artemis DiMartino, a long-time musical supporter of the Dances who has worked with Malika through the years, will provide the beautiful guitar accompaniment.
