

SUFI HEALING CIRCLE IN SEBASTOPOL with Abdul Shaffee

Fourth Tuesday of the month, 7:30 pm

Healing can be experienced personally, as a powerful natural force of the whole creation, freely and abundantly available to all. Opening ourselves up to that power and transmitting it for the purpose of being in service to God and to the greater community is our work. We gather for an hour or so to energize ourselves for this work together and to perform the Sufi Healing Ritual of Hazrat Inayat Khan. Open to all, no charge. Call or email shaffee@sufisonoma.org for information: Shaffee (Howard) at 829-3308

Shaffee has been an initiate, healing conductor and initiator in the Dervish Healing Order, which is the healing activity of the Sufi Ruhaniat International, beginning in 1975 - with heartfelt gratitude for the blessings, transmission and support of Murshid Saul Barodosky, Murshida Rabia Ana Perez Chisti, and many others known and unknown.
