

The Hummingbird Wazifah Zoom Caravan invites you to a day of

EVOLUTIONARY WITNESSING

With Maboud Charles, Tara Andrea and Tawwaba
&

Special Guest Saadi Neil Douglas-Klotz

Sunday March 7

**8:30am-2:00pm US Mountain Standard Time
(US Pacific Time -1, Germany +8, UTC/UK time +7)**

We will explore a few of the wasifahs whose resonance and energy may inspire us to be open to experience the mysteries of witnessing. Ibn Arabi tells us that the “names” of Allah are not the real names; the real names are the processes of Unity that we can find around us, in nature and our relationships, as well as within. How does witnessing the process of Unity, inherent within the wasifahs, help us evolve within our life’s challenges? How does our growing relationship with the wasifahs cultivate a receptivity in our body-being, so that we are more able to merge with and swim within the currents of Universal Peace.

Through sacred song, body prayer, wasifah dances, meditation and sharing, we will touch upon some qualities of witnessing, so our senses might be increasingly tuned to the grace and closeness of “belonging to the moment” of Creation that we may be guided to live in greater harmony within ourselves, with others, and the earth.

Our special guest, Saadi, was our first Sufi guide as well as our Dances of Universal Peace mentor. He is the author of several books that include Prayers of the Cosmos (The Aramaic Lord’s Prayer & Beatitudes) and The Sufi Book of Life: 99 Pathways of the Heart. This will be a wonderful opportunity to enter into sacred song, prayer, and practice with him. Saadi will be mostly focusing the second session. For more information about Saadi please visit his website www.abwoon.com

Recordings will be made but you will need to register by Wednesday, March 3rd
